

Tram service changes

Date and time

Friday 8 February to Monday 11 February, first to last tram

Reason for service changes

Due to works in Olympic Boulevard near Punt Road.

Service changes

Route 70 trams run in sections, with no trams between Stop 7D AAMI Park and Stop 8 Richmond Station.

Stop 7D AAMI Park (towards Wattle Park) and Stop 7E Punt Rd won't be serviced.

Accessibility changes

During the works the last accessible stops are:

- Stop 18 Yarra Boulevard (from Wattle Park).
- Stop 7D AAMI Park (from Waterfront City Docklands)

Alternative travel options

If possible, avoid the area and consider alternative travel options for the duration of the works.

Use trains between the City and **Richmond Station** or **Burnley Station** to connect between sections.

During the works, trams run to the normal frequency; however they may not arrive at the scheduled time due to traffic congestion. We encourage you allow extra time for your journey.
